Allison said she will give me info by this Friday. She said we should have inserts given to her by next week but again, I wont know dates until tomorrow. I would suggest we get the fron cover of the Holiday flyer printed tomorrow and get it to Allsion.

HI Chris,

Thanks for the feedback on the map ad sizes.
Using the 1/4 page and using a combo for larger ads should be fine.

Regarding the BID flyer, could you please let me know the size and deadline? I am offsite tomorrow for a client event that we are supporting and today/tonight is packed with work for that. Could I work on this Friday or does it need to be done sooner?

Thanks for your understanding on this.

Christina

Hi Christina!

So, two things came out of meeting today. One requires a bit of urgency;

We would like to include a Holiday Festival flyer as an insert in the Ledger. Unfortunately though, the deadline for that is next week so we need to get done ASAP. Can you work on the artwork for that so I can get printed ASAP? We all decided to go with same general theme as last year, maybe changed ever so slightly.....date is Saturday, December 3rd, time is 6 to 9 PM.

Second, I think everyone believes the most commonly used ad space will be the 1/4 page (business size card ad). We'd like to sell those at \$90/space. If someone wants a larger ad, then it would be a combination of 2-4 of those spaces and charged accordingly. What do you think?
